1. Attached is the agenda for our April 1st meeting. It will be from 9:00am to 4:30pm in room 412 of the Key Building, 1200 Wilson Blvd. in Rosslyn.
2. You will receive by Wednesday, April 30, the unclassified materials for the meeting. This will not be voluminous. Classified portions will be provided here that Friday morning.
3. Regarding security clearances, discussions will be secret or lower. Two panel members have top secret clearances in effect - Becton and Inman - and Odeen's is in process. We can proceed on TS for all panel members subsequent to this first meeting if the panel believes that is necessary. I doubt if that will be necessary.
4. Odeen and I are meeting with the Chair of the House Committee, Louis Stokes, before the Panel meeting and hope to do the same with Senator Boren.
